### NOTABLES TO SPEAK

Holy Trinity Lutheran Church of Narberth will entertain the Philadelphia Conference of the Evangelical Lutheran Synod of East Pennsylvania next Monday and Tuesday.

The sessions will start with the Holy Communion Service at 8 o'clock, Monday followed by a paper on "Christianity and the Co-operative Movement" by a representative from the Eastern States Co-operative League in New York. At the 8 o'clock service Dr. Edw. T. Horn, missionary on furlough from Japan, will speak on "Christian Missions in Japan—Present Status and Future Outlook." Takeshi Sakuyama, a student at Mt. Airy Seminary, will bring greetings.

Beginning at 9 o'clock, Tuesday morning, there will be four papers "Youth Movements of Today," Rev. Robt. H. Roy Frankenfield, Philadelphia, and an "Exegesis—James 5:13-16," by Rev. M. L. Hocker, Whitmarsh.

At the Tuesday afternoon session, Rev. O. Fred Nolde, Ph.D., Professor at Mt. Airy Seminary, will discuss the theme, "Visual Education in the Church."

The Philadelphia Conference is composed of 66 churches in the territory from Trenton to Wilmington and Stone Harbor to Coatesville. There are 92 clerical members on the roll.

Among those present will be: Rev. A. C. Kanzinger, of Ardmore; Rev. Guy E. McCarney, of Conshohocken, the president; Rev. Wm. C. Ney, D.D., of Brookline; Rev. John W. Early, Jr., of Manoa, and Rev. Cletus A. Senft, pastor of the local congregation.

The sessions are open to the public.

### Auxiliary Will Award Prize in Poster Contest

The auxiliary of the Harold D. Speakman Post of the American Legion met Tuesday evening in the Legion room in the Community Building on Windsor avenue, Mrs. Frank A. Schrepper, the president presiding.

Miss Emma Mueller reported the sending of clothes and a cash donation to the Red Cross for the flood emergency relief.

Mrs. Ensinger reported on the card party held March 17 in the Legion room, followed by a hosiery drawing. Names were placed in a war helmet and Mrs. Entemann, who conducted the drawing, drew the winner, Mrs. R. D. Smith, of 134 North Narberth avenue.

Mrs. R. K. Hewitt, chairman of the poppy sale, distributed poppies among the members, who will start selling them on May 16. The eighth-grade children will make the posters advertising the sale. The unit will award a cash prize to the child who submits the best poster. This poster will be entered in the poster contest at the State and national conventions of the Legion.

Mrs. Melville Muckleston, national president of the auxiliary was honored by a banquet on Thursday evening, April 23, at McAllister's in Philadelphia.

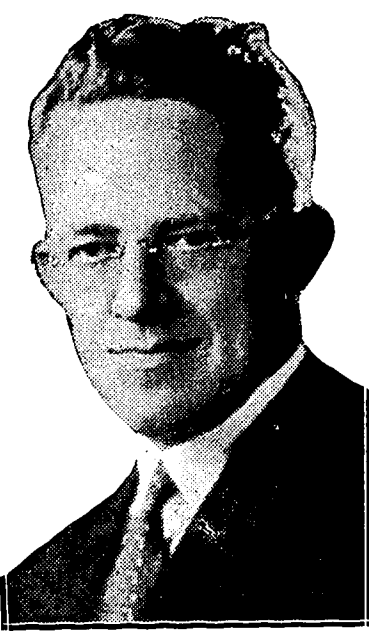

### Narberth Republicans Rally

Several hundred borough Republicans Wednesday night attended a meeting in the Community Building, Narberth, to hear Congressman J. William Ditter, candidate for renomination, and Lambert Cadwalader, candidate for Assemblyman, speak in behalf of the party.

Other Republican rallies scheduled, according to Peter C. Hess, Lower Merion Township treasurer, include a gathering tonight in West Manayunk and a meeting Monday night in the Gladwyne Community Hall to be addressed by State Senator Theodore Lane Bean, Mrs. John Y. Huber, Jr., and Mr. Cadwalader.

The annual meeting of the Lower Merion Township Firemen's Relief Association will be held at the Township building, Ardmore, at 8 P. M. this evening.

### Slated for Republican Nominations

J. WILLIAM DITTER

Congressman Ditter, of Ambler, is a candidate for renomination on his record. Mr. Cadwalader, of Villanova, seeks nomination for the post of Assemblyman relinquished by Fred C. Peters when the latter became Montgomery County Commissioner. Both candidates have the indorsement of the State, County and Township Republican Committees.

LAMBERT CADWALADER

### The Political Pot

With the nomination of candidates endorsed by the Regular Republican Committees assured, local leaders nevertheless are making a strong effort to get out as large a vote as possible to indicate strength for the election in November.

The vote throughout the state on the candidates for State Treasurer, Frank L. Pinola, harmony choice, and Frank P. B. Thompson, Independent, and for Auditor General, E. Arthur Sweeney, unopposed, will be of particular interest in view of the coming presidential election.

Montgomery County's delegates to the Republican National Convention, Ralph Beaver Strassburger, Norristown publisher, and Miss Nancy P. Highley, of Norristown (they are unopposed), will go as unopposed delegates, unpledged to any party candidate.

Besides the above mentioned candidates Republican voters will cast ballots from 8 A. M. to 8 P. M., D. S. T., Tuesday, April 28, for the following:

### 376 Borough Properties Require Paving Repairs

A total of 376 curbs and sidewalks in the Borough of Narberth need repair work, according to George B. Suplee, superintendent of public works, who made a preliminary survey this week.

Verification will be made by the Council Highway Committee and notices sent to owners of property where attention is needed within the next two weeks.

### Zoning Hearing May 5

A public hearing will be given by the Narberth Board of Adjustment in Elm Hall at 8 P. M. on May 5, to consider the application of Maurice J. Lacey to change the east garage located at 131 Haverford avenue, Narberth, into a show room for plumbing goods.

### Two-Penny Dues, Saved From Pocket Money, Help "Brownies" Give Happiness to Others

An early start in helping others has been made by a group of eight girls living on Brookhurst avenue, just across Montgomery pike from Narberth. They are Girl Scout "Brownies" and their ages range from 6 to 13 years. They are Alma Beltz, Gertrude Beltz, Frances Brown, Sue Clippsham, Mary Flack, Jean Millar, Sallie Neeley and Eugenia Thaysen.

Some years ago the girls formed a club which meets once a week and whose dues are two cents each meeting date. Instead of spending the money collected, the fund was allotted for charitable purposes.

Christmas, 1934, Mrs. Eberhardt Mueller, chairman of Narberth's Volunteer Emergency Relief, was asked to help the Brownies help others. Under her guidance their pennies—quite a fund, too—bought milk for babies that Mrs. Mueller knew were in need.

Last Christmas the group brought a tin box full of pennies. Not content

### Rabid Dog in Narberth; Other Canine Bites Boy

The first case of a rabid dog in Narberth was reported to the Borough Board of Health at its April meeting in Elm Hall. The animal broke loose from its enclosure in the yard of H. I. Dasher, Iona avenue, Narberth, and was shot by Radnor Township police at Garrett Hill on Saturday morning. State laboratories at Harrisburg returned a positive diagnosis. It was the twenty-first case of rabies on the Main Line.

Lower Merion and Narberth authorities will continue the local quarantine for at least two more months. The State quarantine will not expire until July 1.

David Carr, 12, of Merion avenue, Narberth, was nipped by a dog on a leash belonging to Walter H. Lippincott, Wynnewood. The dog is now under observation. The boy was treated by Dr. Edwin C. Town, Narberth, and given further treatment at Bryn Mawr Hospital.

Borough Health Officer George B. Suplee reported thirteen cases of contagious diseases since March 17, five German measles, five chickenpox and three of mumps. Dr. George A. Sloan, president of the board, presided.

### Conventions Rotary Topic

Discussion of the approaching district and national conventions comprised the program at the meeting of the Bala-Cynwyd-Narberth Rotary Club held at the Overbrook Golf Club Tuesday.

The district convention is scheduled for Wilmington next Monday and Tuesday, while the national convention will be held at Atlantic City the week of June 23.

Suggestions for nominations were received by Dr. E. S. Deubler, chairman of the committee named to present a slate of officers for the coming year.

The program originally planned for Tuesday, a talk and motion pictures of national parks by Harvey J. Harman, of Narberth, will be presented at a later date.

### Groups Invite Public to Co-Operative Meetings

There will be a mass meeting of the groups studying the Co-operative Movement for the past several months in the home of Mrs. E. O. E. Palmquist, 37 Narbrook Park, Monday evening at 8. The speaker will be a representative from the Eastern States Co-operative League in New York. Anyone interested in the Co-operative Movement, or who would like to know something about it, is urged to attend.

On May 13 in the Community Building, A. H. Lauterbach will discuss "Producers' Co-operatives and the Dairy Business." Again, you are invited.

### The Grist Mill

A letter prepared by the Parks and Playgrounds Committee, Joseph M. Baltz, chairman, of the Main Line Lions Club has been mailed to all civic organizations on the Main Line asking support of the outdoor recreational movement and offering speakers for meetings.

Wilbur N. Clemence, recently appointed Radnor police captain, was presented last Thursday with a clock by the members of his force.

Bruce H. French, son of Mr. and Mrs. George B. French, Wynnewood, has been chosen captain of next year's Haverford College debating team. French is also a member of the basketball and track squads.

O. Howard Wolfe, Wayne, and Leroy M. Lewis, Rosemont, are nominees for the presidency of the Philadelphia Rotary Club.

Among those elected to the Board of Governors of the Philadelphia Aviation Country Club are Philip T. Sharples, Haverford; Lawrence T. Sharples, Gladwyne; Colonel Robert L. Montgomery, Ithaca.

Darting from behind a bus in front of the automobile of Miss Mary Elizabeth Packer, Wynnewood, cost Paul Weikel, six, of Westwood lane, Overbrook Hills, a broken left leg, lacerations and internal injuries. Miss Packer was released on her recognition by Magistrate F. P. Kromer, Lower Merion, to await the outcome

### School Tax Cut One Mill; Budget Fixed at \$125,051.50

Narberth's School Board at its April meeting adopted a budget of \$125,051.50 for the 1936-37 school year and reduced the school tax rate one mill. The new property tax rate is 18 mills. The \$2 per capita tax remains the same.

Estimated receipts are based on a borough property valuation of \$4,600,220 and 3258 taxable inhabitants, together with a state appropriation of \$10,400, delinquent taxes and temporary loans, plus some small revenue derived from building rental, etc.

Instructional service and tuition, \$78,364, and debt service including loan reductions, interest on bonds and sinking funds, \$29,185, are the larger items of expenditure.

School directors present at the adoption of the budget were Dr. LeRoy A. King, president; Mrs. H. R. Rinehart, vice-president; Dr. Walter Steckbeck, secretary, and J. L. McCrery, treasurer.

### Narberth Teachers Chosen; Salary Slash Returned

Narberth teachers in 1936-37 again will receive their basic salaries of 1931. At the April meeting, Narberth's school directors restored the second half of the pay cuts made in 1932 and 1933 amounting to ten per cent. The other half of the total salary slash was restored last year.

The directors also re-elected as instructors for the coming year, W. J. Drennen, principal, for a three-year term; Martha E. Buckaloo, Elizabeth M. Mieson, Faith E. McAuliffe, Edith M. Stock, Florence R. Bishop, Edith C. Norst, Sarah E. Hoak, Lois E. Wunderlich, Katherine L. Dale, Marion D. Miller, Caroline R. Brenner, Jeanette Dell, Agnes D. Taylor, I. B. Knoll, Mary L. ### HAILED AS HUMOROUS

A very pleasant comedy, called "Good Bye Again" will be given by the Narberth Players, Friday and Saturday, May 1 and 2, in the Narberth School auditorium.

Written by Allen Scott and George Haight, it has been termed by one critic: "As light as a feather, and funny, often uproariously so. It abounds in idiocies of the most diverting kind. Its dialogue is fleet and gay; its nonsense is contagious and its action agreeably topsy-turvy. It is written with a flair for comedy which is genuine—the sort of dizzy drama which obviously relishes its own dizziness even while it succeeds in making other relish it, too."

Kenneth Bixby, played by John E. Flynn, well known for his portrayals, is a young eccentric writer and lecturer. While on a lecture trip with his secretary, Anne Rogers—Marjorie Toplis—he is visited by an old love, Julia Wilson—Ann Speed. In college they had had an affair, but afterwards their ways had separated, Ken to roam the world and Julia to marry another writer, but still sit and dream of Ken. After six years of telling her husband—George Werner—what Ken would have done and said in any given situation, she now meets her one-time lover, and is willing to sacrifice all and follow him to the end of the world. What they all do about it is told in situations that are hilariously funny.

Others in the cast include Paul Brown, Jr., Natalie Fleck, George Supplee, Joan Tibury, Paul Goodyear, Stanley Green and Maurice DuMarais—who is coaching the production, and who is a head coach at Plays and Players.

Service Station to Go Where

### HOUSE BUILT IN 1888

Harry B. Wall has leased to the Socony-Vacuum Oil Company his property at Haverford and Forest avenues, and as a result one of the oldest homes in Narberth will within about a month be razed to make room for a service station.

The house was built early in 1888 by William L. Owens, who was one of the leaders in creating the borough, causing it to secede from Lower Merion Township. His interest in good roads led to his being the first street commissioner for Narberth. He was engaged in the plumbing business and sold out in 1901 to Mr. Wall, who had been in his employ for eight years.

Mr. Wall has occupied the house for twenty-four years, the same length of time Mr. Owens had lived there. Mr. and Mrs. Wall and their daughter moved this week to a third-floor apartment next door on Haverford avenue, above the store where White's Sweet Shop was for many years a landmark.

Surveyors started work at the corner house on Wednesday. Mr. Wall will continue his plumbing and heating business at the shop to the rear of the property.

When Mr. Wall bought the property at the turn of the century he paid \$10,500. It is rumored he has since turned down an offer of \$70,000 for it. Terms of the lease were not disclosed. For some time it was known the American Stores Company was dickering for the lease.

Erection of the service station, which is planned to be attractive in appearance, will represent an investment of about \$10,000.

John T. McGroarty, Lower Merion Township dog warden, called to the estate of Mrs. William T. Dickson, Indian Creek road, Overbrook, who reported an animal under her porch, caught a year-old silver fox.

Churches will observe Daylight-Saving Time commencing Sunday.

### SCHEDULE OF EVENTS

Mrs. H. F. Stevens, of Haverford avenue, Narberth, was elected vice-president for two years at the meeting of the Women's Community Club of Narberth in the Girl Scout Wing of the Community Building on Tuesday afternoon; Mrs. Verna R. Woodcock, recording secretary, Mrs. William Lewis, treasurer, and Mrs. C. J. Goodyear, Mrs. George W. Orth and Mrs. J. E. Burrell as directors.

At a recent meeting of the Board of Directors it was decided to make the following donations: \$10 to the Red Cross for flood relief, \$5 to Harold D. Speakman Post of the American Legion for their refurbishing fund; \$5 to the Art Alliance Lending Picture Club in order that the Library of Narberth will have a picture during the summer season.

A delightful musical and dramatic program followed in charge of the program chairman, Mrs. Edward Heymann, who presented Mrs. C. Fred Kuebler, Jr., soprano, who sang three songs. Her accompanist was Miss Margaret Squire. This was followed by a delightful and amusing comedy entitled "The Meeting Will Come to Order," presented by the Past Presidents of Montgomery County for the benefit of the Scholarship Fund. Mrs. Joseph A. Hongler was the chairman of the meeting, who tried in vain to keep her turbulent club members in order. In the cast were Mrs. Charles R. Ridington, of Lansdale, the newly elected president of the Montgomery County Federation; Mrs. Goodwyn M. Davis, of Bryn Mawr; Mrs. S. E. Slocum, of Ardmore; Mrs. Walter B. Supplee, of Bala-Cynwyd, Mrs. Her-

Praise was lavished upon the Mulieres last Thursday night on the occasion of their annual banquet at the Narberth Fire Company in Elm Hall. Practically every speaker mentioned the delightful hospitality of Mrs. Eberhardt Mueller, president of the auxiliary, and her aides, and described the Narberth banquet as the most pleasant of all similar affairs given in this section.

An unexpected break in the evening came at the end of the meal when the alarm sounded and about half the diners were called to a grass fire on the property of Robert J. Nash, realtor, at Price and Narberth avenues, Narberth. They returned in a few

Narberth's Reward  
for Party Regularity

County aid work in the borough of Narberth this year will total \$18,700, of which 70 per cent or \$13,000 will be contributed from the county treasury, and \$5,600 will be all that the borough will be required to pay. That is, the County Commissioners are giving the borough 70c out of every dollar that the borough is able to appropriate for such work. This is an exceedingly important saving to the taxpayers of Narberth and, without it, an increase in the borough tax rate would have been unavoidable because the recent severe winter made street repairs absolutely essential.

Last year the county contributed \$10,000 to street construction and repair work in Narberth and, only a few years ago the county, entirely at its own expense, laid the extension of Haverford avenue from Essex along the south side of the playground to Wynnewood road, at a cost of about \$12,000. There is no statute which requires the County Commissioners to allocate county aid funds on any pro rata of population or taxes among the townships and boroughs of Montgomery County. Where the funds shall go and in what amounts is entirely a matter of discretion with the County Commissioners.

The fact that the County Commissioners have seen fit to expend \$40,000 of county funds in Narberth within the past few years is an indication of their friendly and co-operative attitude toward the citizens of the borough, and it is not beside the point to state that all of these funds have come to Narberth since the Republicans of the borough ceased giving their support in the Primaries to so-called independent candidates. For many years a large number of the loyal Republican voters of Narberth, influenced by the respect which they held for the late Fletcher Stites, were accustomed to follow his leadership in Primary campaigns involving State and county tickets, even though the candidates whose election Mr. Stites advocated, were opposed to the county organization. It never got the citizens of Narberth anything in the way of advancing State or county interests to vote independently, according to Mr. Stites' wishes and, unlike the children of Israel, their "long wanderings in the wilderness" were unrelieved by any manna from Norristown or elsewhere. This is stating the matter in very practical terms, but it is an argument which should be reiterated to the Republican voters of Narberth. It is directly to their interests to support at the Primary next Tuesday those candidates who are endorsed by the Republican County Committee.

Local Movies

"Anything Goes" is at  
Narberth; Pasteur Next

Pleasing music and dancing, and plenty of amusing comedy takes place on shipboard in "Anything Goes," starring Bing Crosby, Ethel Merman and Charlie Ruggles. The show is at Narberth this week-end. For the 1 P. M. matinee, Saturday, there will be an added feature and the Columbia Happy Hour.

Paul Muni turns in an impressive characterization in "The Story of Louis Pasteur"—very timely story of the great scientist who pioneered to free mankind from disease germs—including rabies. Josephine Hutchinson, Anita Louise and Donald Woods help the romantic interest of this thrilling story, which is coming to Narberth Monday and Tuesday.

Wednesday, cash award night, "Freshman Love" is coming, with Frank McHugh, Warren Hull and Patricia Ellis.

The rest of the week, Narberth has booked "The Prisoner of Shark Island," based on the life of Dr. Samuel A. Mudd, who ministered to Lincoln's assassin and thereafter was persecuted. The poignant melodrama is convincingly staged and stirring, acted by Warner Baxter, Claude Gillingwater, Arthur Byron, Gloria Stuart and Harry Carey.

"Modern Times," Popeye  
at Egyptian; "Sooky" for  
Saturday Junior Matinee

"Modern Times" is at the Egyptian. Charles Chaplin employs novel gags, exquisite pantomime and one very funny song-and-dance act, in this story of a bewildered little factory worker who is overtaken by absurd mishaps and comic tragedies. The musical accompaniment shows discriminating selection and Paulette Goddard, as the homeless waif with whom Chaplin combines his fortunes, gives a delicately spirited interpretation. Underlying the clowning there is a biting satire on modern civilization which ignores individual value and permits the mechanization of human beings for the production of useless wealth.

Also on the program is Popeye in "A Clean Shaven Man."  
Junior Matinee film at 10.15 Saturday is "Sooky."

At the 2.15 matinee Saturday, the second installment of the new serial, "Rex and Rinty," will be shown.

"Wife Versus Secretary" will play Monday and Tuesday, with Clark Gable, Jean Harlow and Myrna Loy for highly popular cast. Based on Faith Baldwin's "Office Wife," the story has amusing situations and a novel ending.

Robert Sherwood's play, directed by Rene Clair, and with Robert Donat for star—THERE'S a combination! It's "The Ghost Goes West"—at the Egyptian next Wednesday and (Bank Night) Thursday. The ingenious comedy is brilliantly satirical in its contrast of 18th century Scotland with present-day America. Delightfully original touches and clever technical effects help make this outstanding. Exceptional cast includes Jean Parker and Eugene Pallette.

The brilliant comedy, "Ruggles of Red Gap," will fill a return engagement at the Egyptian the end of next week, starring Charles Laughton and Charles Ruggles.

Kenneth L. M. Pray, of Narberth, secretary of the Pennsylvania Committee on Assistance and Relief, this week predicted an increase of relief cases in the State within the next nine months to 200,000 families, or 650,000 persons.

At the annual dinner meeting of the Junior High League of the Ardmore Presbyterian Church, Harry Wonderland was chosen president; Esther Markey, vice-president; William Kistler, secretary, and Burton Hurd, treasurer.

Political Pot

Continued from Page One  
Delegates-at-Large to National Convention and alternate delegates, seven each, and for two unopposed alternate district delegates.

For Representative in Congress, J. William Ditter, Ambler, incumbent, should have a huge majority over H. Eugene Gardner, Glenside attorney, who favors the Townsend Plan in principle.

For First District Assemblyman, Lambert Cadwalader, Villanova, has the Harmony Committees' indorsement, and opposition vote to him will be split by three other candidates, Mrs. Margaret G. Town and Charles E. Claghorn, both of Narberth, and Howard Lee Colgan, of Abrams Station. He should be the winner by a handsome plurality.

Less calm and cut-and-dried is the outlook in Democratic ranks. The old-line Democrats, still a minority, are gathering strength as the New Deal element loses it. New Dealers on the whole, however, should carry the day. They control most of the patronage and the larger war chest. Recent scandals uncovered by the McAvoy-O'Neill alignment will do the Lineaweaver New Deal forces no good, on the other hand, either on Tuesday or on the first Tuesday in November.

Mrs. William Roy Smith, professor of economics at Bryn Mawr College, was the guest speaker of the Democratic Women's Luncheon Club of Lower Merion and Narberth at their monthly meeting at Erskine Hall, Haverford, last Tuesday.

Mrs. Smith spoke on "Some Recent Economic Heresies." Touching briefly on the late Senator Long's "Share the Wealth Plan," Upton Sinclair's plan for "Ending Poverty in California,

"The Plan of Plenty" submitted by the Technocrats, and Dr. Townsend's "Revolving Old Age Pension Plan," Mrs. Smith concluded with a summary of the Social Credit Plan which is based on change of the present credit mechanism and of all the plans of recent years, contains the most constructive features, she held.

Mrs. F. X. McCarthy, of Conshohocken, spoke on the special session called by Governor Earle to consider relief measures.

The next meeting will be held on Tuesday, May 19.

Charles Eugene Claghorn, of Chestnut avenue, Narberth, a candidate for Representative in the General Assembly, has announced he is in favor of Civil Service for Pennsylvania in place of the present system of obtaining state and county jobs through political bosses.

In answer to a query from the Montgomery County League of Women Voters, Mr. Claghorn supplied the following information:

Education: Narberth Public School, graduate of Lower Merion High School and Peirce School of Business Administration, where he specialized in accounting, auditing, systems, tax problems, finance, etc.

Mr. Claghorn is now an accountant and auditor.

Organizations: Young Republicans' Club of Narberth, Lower Merion High School Alumni Association and the Society of the Cincinnati, which is composed of descendants of officers in the American Revolution.

Residence: Born and raised in Narberth, and so has lived in this district his entire twenty-four years.

Mr. Claghorn replied: "I believe in economical and efficient government, using my accounting training and experience as my prime qualification for that work. Furthermore, I believe that all positions, with the exception of a few elective and appointive ones, in the state, cities, and counties should be placed under Civil Service. I understand the League of Women Voters throughout the nation has backed this drive, and I am for it 100 per cent. If nominated and elected for this position I shall do all in my power to accomplish that end."

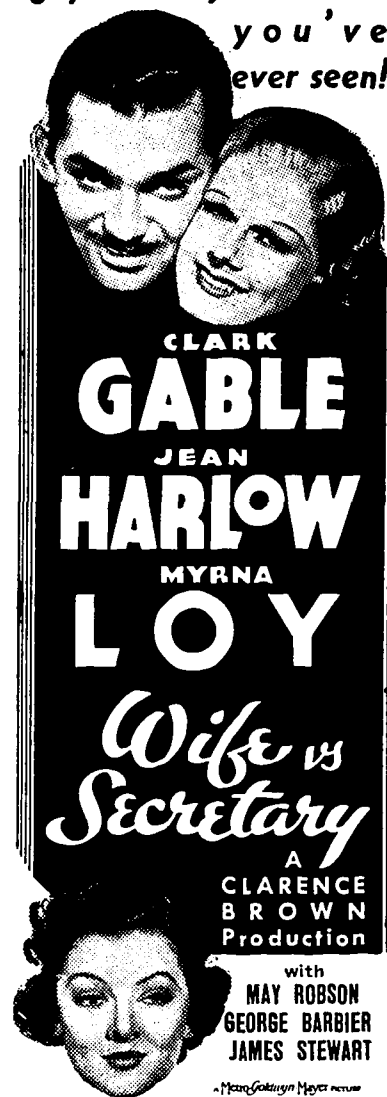

Mrs. John D. Gill, Cynwyd, chairman of the Women's Clubs' International Relations Committee for Montgomery County, spoke before the Young Woman's Club of Pottstown Tuesday. Her topic was "The Interplay of African War and the Locomotive."

## Building Increase Means More Roads

### Commissioners Take Over Two Thoroughfares; Hearings for Others

#### SOAPSTONE RD. CLOSED

Lower Merion's increase in building (more than 100 per cent in the first quarter of 1936 over the same period last year) is bringing many requests for the opening and taking over of private roads by the township and for permits to be granted developers to build new highways.

At the April meeting of the Board of Commissioners approval was given for the opening of Airedale road, Rosemont, from Ashbridge to Old Gulph road, and for the taking over of Barr avenue in Gladwyne. Soapstone road, which runs off Hagysford road through the Clement A. Griscom estate to the Schuylkill River, was ordered closed. A development by Derham & Irvine is planned for this property in the near future.

The opening of Rosedale road, Overbrook Hills, as a township thoroughfare, requested by L. G. Andrews, Mr. and Mrs. D. B. Dudley, Mrs. John W. Hornsey and Mrs. Joseph Cairns, Jr., was taken under advisement by the Highway Committee.

Favoring the closing of Soapstone road were Clement B. Wood, representing the owners of the adjacent property, and James Irvine. Against was Mrs. Laura Madden, resident of River road, who held that the action would deprive her of an escape in case of flood.

In the Airedale road section, Howard H. Rapp, representing Mrs. Mary Austin, stated that of fifty-four lots plotted, twenty-eight already had been sold.

No direct opposition was heard against the township taking over Barr avenue, Gladwyne, but Frank Shields and W. B. Vander Veur announced objections if later the twenty-foot thoroughfare were to be widened. Their protests were purely on economic grounds. Horace W. Royds, Frank Burns and Joseph Harvey favored the action.

In executive session the Commis-

sioners heard requests:

From McWilliams & Kelly for the construction of Edgevale road, from Haverford to Rockglen road, Penn Wynne. Hearing May 20.

From Dagit Brothers to develop a plot at Spring Mill road and Morris avenue, Villa Nova. Approved provided a circle outlet is provided.

From Autocar Company, road from north side of proposed new Ardmore post office building, at Athens avenue, and from Ardmore to Greenfield avenue. Approved, providing a fifty-foot right of way with a thirty-foot parking space is made clear through to Greenfield avenue within five years. Autocar Company required to post bond for performance of agreement.

From Richard Kearns, plan to extend Athens avenue in semicircle beyond Wynnewood road to Spring avenue, Ardmore. Hearing May 20.

Another proposal to extend County Line road through to Greenfield avenue was tabled until the June meeting.

Petitions for zoning in the Overbrook Hills section were held over for consideration at the May meeting.

The Highway Committee, Colonel J. B. Mustin, chairman, will view Rolling, Carroll, Crosshill and Old Forest roads, Carroll Park section, on May 13, with a public hearing May 20 on whether the township should take them over.

## IS YOUR CHILD SAFE FROM DIPHTHERIA?

Who needs protection against diphtheria? Most babies at birth have received from their mothers substances which protect them against the disease. These protective substances last for about six months and Most of the deaths are in two-year-olds. Your babies are in danger. They then in most babies soon disappear. After the age of six months, three out of every four children are without protection and can catch the disease. Diphtheria is therefore a disease particularly of children, young children. Eighty per cent of diphtheria deaths occur in those under five years old. need not come in contact with children having diphtheria in order to catch the disease: a healthy child or an adult, possibly even an animal pet, may carry in his throat the deadly germs which can infect your child.

Protect your babies. Every child that has passed the age of six months should be given the treatment which will make it safe from diphtheria. See your family doctor at once. The treatment is not expensive. If you

## IRON IS USED FOR TRANSPORTATION

Ribbons of steel and tubes of iron work side by side . . . partners in transportation.

Above ground, the gleaming tracks of our great railway systems carry countless carloads of people and freight daily.

Under ground, another sort of transportation is taking place. A network of pipes, big and little, is bearing water from the source of supply to individual homes. Millions of tons of water are moved through the pipes every twenty-four hours.

Both types of transportation require iron . . . for rails in a railroad, for pipes in a public water supply.

Early water pipes were of wood . . . later iron took its place. The first rails were nothing but thin strips of iron nailed to twelve-foot lengths of yellow pine, bevelled on the outside for the rim of the train wheels.

For over a hundred and fifty years, much of this iron was made in the Philadelphia territory. A forge on Valley Creek, set up by one of William Penn's followers, gave its name to Valley Forge . . . others were built on French, Neshaminy, Chester, Gulf and Crum Creeks.

From a humble origin, the transportation of pure water into individual homes has evolved into a skillfully planned system. Today, your Philadelphia Suburban water is delivered through eleven hundred miles of pipe.

Triangle Stars

TRIANGLE STARS  
Myrna Loy, Clark Gable and Jean Harlow present a novel triangle situation in *Faith Baldwin's "Wife vs. Secretary,"* at the Egyptian next Monday and Tuesday.

Lower Merion said it with base hits Tuesday afternoon, when the Bulldog baseballers piled up 19 runs on 17 hits to defeat the visitors from Lansdowne High, 19 to 9.

Bill Armstead, dusky left fielder came to bat three times in the seven inning game and three times he crashed out solid hits, two doubles and a single. Harvey Cook, Bill Bassett, Bud Haley, George Morris and Ray Ryder each had two hits, Ryder and Cook crashing out triples in the momentous third inning, when Lower Merion tallied 9 runs.

The wind was too cold for the soup-bones. It blew across the diamond leaving the players chilled and stiff. Bill Bassett, pitcher for the Bulldogs, could not get a curve on the ball and after he had served up a home run pitch to Fred Garber in the fifth inning he retired to right field and Bill Ensinger took his place on the mound. Ensinger had enough smoke mixed with his wildness to keep the Lansdowne batters on edge, but away from the home plate, literally and figuratively.

Garber and Ford were the more dangerous exponents of the bat, the former's four-base ply sending in two runners ahead of him. Coach Horner called on two pitchers during the game, but neither could stop the heavy bats of the local leaguers.

Norristown is causing quite a lot of concern in the suburban league in baseball this season. They have yet to drop a decision and it looks as if they will be real competition to the two leaders of last year. Upper Darby and Lower Merion tied in the regular schedule during the 1935 campaign, Upper Darby winning in the playoff. The champs won from Abington, while Lower Merion was putting the skids under Lansdowne on Tuesday. On the same afternoon, Norristown defeated Cheltenham, 2 to 0. Cheltenham had four hits off the slants of Behney, but could not put a run across. The Blue team had only three off the fine curving of Guerro, but one of these was a home run by Winterbottom.

The Lower Merion Junior High School opened the track season this week with an invitation relay meet, entertaining 19 schools of the Philadelphia area, which have entered some 75 or 80 teams in the various events. There were events for freshmen teams, strictly junior high teams and Suburban League teams. This meet in many ways successfully replaces the discontinued events which were a part of the Penn Relays for the past decade and more at Franklin Field.

The Lower Merion baseball team meets Upper Darby today in the first of the really crucial games of the season. With Dick Whitney in good shape the Maroon players have a good chance to win.

The track team will be represented by the relay team at Franklin Field this week-end. The Lower Merion Senior High has had some success in this annual event, and with some fortune may bring in a winner this season.

Episcopal won 1-0 when Captain Bob MacDonald scored on a hit, a sacrifice and an error. . . . Haverford School had to play ten innings and make 12 hits to beat Chestnut Hill, 2-1. . . . Penn Charter's baseball team had it easy with Montgomery School, score 13-3.

Villanova pushed across five tallies in the eighth, and McGovern whiffed three St. John's batters after two had got on base in the ninth, to take the ball game, 10-9. . . . The Wildcats had no trouble with the Providence nine, winning 11-4, with seven runs scored in the sixth. . . . Among those named as possible successors to Athletic Director Harry A. Stuhldreher, given the \$10,000 post of football coach at the University of

Wisconsin, are Rip Miller, Navy; Marty Brill, LaSalle coach and Ardmore florist; Bob Reagan, present line coach at Villanova.

Winning nine firsts of the thirteen events, Lower Merion easily won the track meet from George School, 88-29. . . . Last Friday, Haverford High surprised Lower Merion's baseball team with a 4-3 victory, while Darby downed Radnor, 2-1. . . . Both Lower Merion and Radnor came back Tuesday, Radnor nosing out Swarthmore, 6-5, while Lower Merion trounced Lansdowne, 19-9. . . . Featured by Don Vogt's shotput heave of 50 feet, 6 inches, and Archie Sparks' mile in 4:46 (new school record), Lower Merion's track team overwhelmed Ambler High, 71-37.

Having been represented for many years, the Cynwyd Club has dropped out of the team matches in the Philadelphia and District Tennis League.

Harold Custer has again been named captain of the club's first team, and Walter Tillman will lead the second team for another year.

Big 113-inch wheel base Six with All Steel Safety Body and Hydraulic Brakes jumps into first place.

Value alone made this record possible because Plymouth outcompares some low price competitors by \$200.

The 4-door Touring Sedan has more leg room for the rear seat than the four biggest selling cars in the \$1000 to \$1300 price class.

Many other cars have added Hydraulic Brakes this year, but not Plymouth's double-acting Lockheed Brake. Hydraulic Brakes differ as cigars differ.

Likewise with bodies.—A steel roof body may be built on wood uprights or steel uprights. There is no supporting wood in any Chrysler product.

Police were of the opinion that the sun's rays were responsible for the setting off of the caps, thus causing the explosion.

## Two Main Line Men Arrested as Forgers

### New Deal Workers Held in Bail for Copying Names

#### IS DEMOCRATIC BATTLE

As the feud between the warring factions continues in the Democratic party, two New Deal adherents were under arrest this week.

The defendants, Ralph Meaney, 32, Ardmore, and Dennis Sullivan, 30, Rosemont, are charged with forgery, violating the election laws and conspiracy.

They were held in \$1,000 bail for a further hearing this Saturday before Magistrate Ralph McLaughlin at Norristown.

While the affidavit was signed by C. M. Benz, Norristown constable, it is understood the information was furnished by United States District Attorney Charles D. McAvoy, of Norristown, old-line Democratic leader, and Attorney Dennis A. O'Neill, independent Democratic leader.

Meaney is a jobholder at Harrisburg, while Sullivan, an Ardmore newspaperman, has acted as publicity man for the New Deal faction in recent campaigns.

It is alleged Meaney and Sullivan forged names of signers to a petition for Miss Dorothy Campbell, Wynnewood, who was a candidate for Democratic county committeewoman.

Using an old registry book, it is alleged, they copied 14 names on the petition, 12 of which were names of students at St. Charles Seminary, Overbrook.

The name of David F. Conover, Wynnewood, was forged as the signer of the affidavit, it is also alleged.

A court test of Miss Campbell's petition was started some time ago by Old-line Democrats but the petition was withdrawn before the hearing was held.

Meaney and Sullivan were released on bond, which was furnished by Phillip Harrison, Main Line real estate broker.

### Sportsmen Order 6500 Trees; Plan Stream Improvements

A new stream improvement program has also been drawn up to be accomplished with Federal aid and new appropriations are for being.

1. Rebuilding of Stahler's Dam on the lower stretch of the Unami Creek which is open to the public near Summit.
2. Rebuilding of the big Knickerbocker ice dam at Green Lane.
3. Full stream improvement on Mill Creek in Lower Merion Township.
4. Rebuilding of two dams on the tributary of the Pennypack Creek at Huntingdon Valley. Flooding of an abandoned mill race of 200 yards at that place for the purpose of starting a fish propagating pool.
5. Rebuilding of the Ches-Nor Dam on Branch Creek near Telford.

Mr. Haines expresses the hope that the customers will continue to favor him with their welcome patronage, as the business will be conducted on the usual high standard.

### Narberth Gave \$839 to Red Cross Flood Fund; Get Letter of Thanks

Phenomenal contributions for phenomenal conditions rewarded appeals broadcast for Pennsylvania's flood relief work, according to Main Line Red Cross figures unofficially obtained this week. In addition to its other donations, to United Campaign and other causes, Narberth gave a total of \$839.35 cash for flood sufferers.

Funds have continued rolling in to the local workers, headed by Mrs. Robert Price, who as roll call major for the borough has acted as representative of the Main Line branch of the Red Cross. Latest contribution was \$6.70 last week from Mrs. Walter Dohard's knitting club. The cash total is in addition to the many truckloads of clothing collected shortly after the flood by dozens of local workers from their neighbors in Narberth and the Anthwyn Farms section of Merion.

The following letter from the Main Line chairman, Mrs. Henry C. Earnshaw, has been received by local workers, including Mrs. Joseph H. Miller, a local Red Cross lieutenant, and Mrs. H. F. Stevens, former Narberth major and national director:

"Please accept the sincere appreciation of the Main Line Branch No. 1, Southeastern Pennsylvania Chapter, American Red Cross, for your splendid co-operation in collecting clothes and other services for the flood victims.

"It is the unselfish service of women like you who have made it possible for the Red Cross to meet the emergency of the unfortunate people in the flood areas."

Red Cross officials wish to emphasize the fact that every cent of the funds collected for flood relief was turned over for flood relief—not a penny was spent for expenses.
